

adopt Hetty the Hedgehog

ONLY
£25

Every year, Folly Wildlife Rescue admit thousands of injured, orphaned and sick wild animals from across Kent and Sussex, including hedgehogs, badgers, deer, dormice, squirrels, and birds.

Many of these poor creatures are the victims of garden netting, or collisions with cars, while others have been attacked by cats or dogs, have flown into windows, been poisoned or shot, fallen down drains, and even burnt in bonfires – the list goes on and on.

Many suffer severe injuries, and it can take months for our dedicated team to bring them back to full health, and return them to the wild.

Our veterinary costs are immense, so to help fund them, Folly Wildlife Rescue operates a wildlife adoption programme, whereby members of the public can sponsor one of the resident disabled animals, and by doing so, help pay not only for the adopted animal's care, but for the care and treatment of many other, often severely injured animals.

In this way, we can help many more casualties, that would otherwise have perished, and then return them to the wild, where they belong.

An adoption pack makes a great gift for a birthday or Christmas (or you can treat yourself!) and is a very practical way to help wildlife in distress. Wildlife in the UK now faces pressure like never before, and needs all the help it can get.

HELP US, TO HELP THEM, WITH A WILDLIFE ADOPTION TODAY!

HETTY... came to us four years ago, having been admitted for a head trauma injury, that was probably sustained by a close encounter with a car.

Although she made an amazing recovery, her balance remained affected, and we decided, very sadly, that she wouldn't cope in the wild.

The good news is that she's now enjoying life in the safe and enclosed garden of one of our carer's (complete with much natural food and wild places to forage), and twice a year, comes in to the hospital for a thorough health and dental check!

ADOPT HETTY TODAY!

The suggested donation for an adoption is just £25 (including P&P) and renewals are £15.

YOUR ADOPTION PACK WILL CONTAIN*:

A personalised colour **Adoption Certificate**

A hedgehog **Fact Sheet** with fascinating information about natural history, diet and hibernation

A '**Help A Hedgehog**' sheet, showing how you can encourage hedgehogs and keep them safe

A Folly Wildlife Rescue fridge magnet

A fluffy hedgehog toy.

All adoptions are for a period of one year, after which you'll be sent a renewal reminder. If you wish to do so, you'll then receive an update and new photograph of your adopted animal!
*Contents may vary according to availability.
